

Wing Jump 1

Both of these wing jumps were made using PVC parts I had on hand – that's why there are two different versions.

Wing Jump 1 Standard

Dimensions: 16" wide, 34" high

Materials:

1-1/4" PVC pipe cut to:

(2) 12 inch

(2) 30 inch

(4) 6"

(2) 1-1/4" 4 way connector (version 2 used 3 way connectors)

(2) 1-1/4" 90 degree connector

(4) 1-1/4" end caps

1 green tree protection wrap cut into 14 x 36 sections

(16) 8" white plastic cable ties

Alternative wing jump style

Lena's cart made from a canoe carrier:

We made this cart to carry Lena post-surgery. She still seems to like it!
